Foreword

We, the Seniors of 1960, have attempted to capture the highlights of our school day in this THE FLASH. Come with us from the arrival of the first bus to the last click of the lock that sends the student home to a good meal and quiet study. Herein we have recorded our curriculum, our personnel, our activities, and our progress as each dawn turns slowly to the twilight and the dark.

In Our Progressive Community

The churches attempt to meet the needs of each citizen's spiritual life.

New homes are being established as the expanding community moves forward.

Businesses are reorganizing and rebuilding to supply the demands of their patrons.

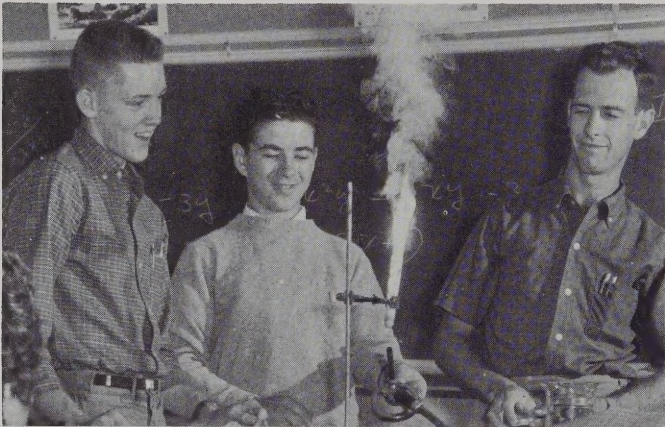

The dairy farm remains, as yet, the typical Nokesville landmark.

Activities and

The Commercial Department trains future stenographers and businessmen.

In chemistry young minds are being challenged to meet the needs of our scientific age.

In Vocational Agriculture the boys learn many applicable practices which will be useful to them as future farmers.

The coveted, orange "N" is awarded for excellence in various activities.

Traditions Flourish.

ALMA MATER

Hail to thee, our Nokesville High School,
Loyal, brave and true,
We will sing our Alma Mater
And lift our hearts to you.

Onward, onward, ever faithful
True and loyal be
Like the mighty Bull Run Mountains,
Ever proud of thee.

As we tread her ivy portals,
Truth and faith arise;
We will lift our faces gently
Upward to the skies.

Through Band and Glee Club the Music Department provides opportunities for members to exercise their musical talents.

The dances at B.D.H.S. offer a means for relaxation from the daily routine.

The basketball games produce an outlet for pent-up energy and school spirit.

The cap and diploma represent the dreams of all Seniors of Brentsville District High School.

We Respectfully Dedicate This Yearbook To

MRS. JANICE ETHRIDGE
WILSON

Because she is our friend --- encouraging, advising, and contributing her warm understanding whenever we need her...

Because she has guided us enthusiastically and often given us the will to succeed...

Because she is a teacher extraordinary, who arouses in her students a new faith in their own ability, who instills a love of truth and honor, who, by her sincere dedication, has inspired those about her...

Because of her many and varied contributions to our high school and the influence she has had upon our lives, we are exceedingly proud to dedicate this yearbook to Mrs. Janice Wilson.

Our Administrators Plan a Schedule Executed By

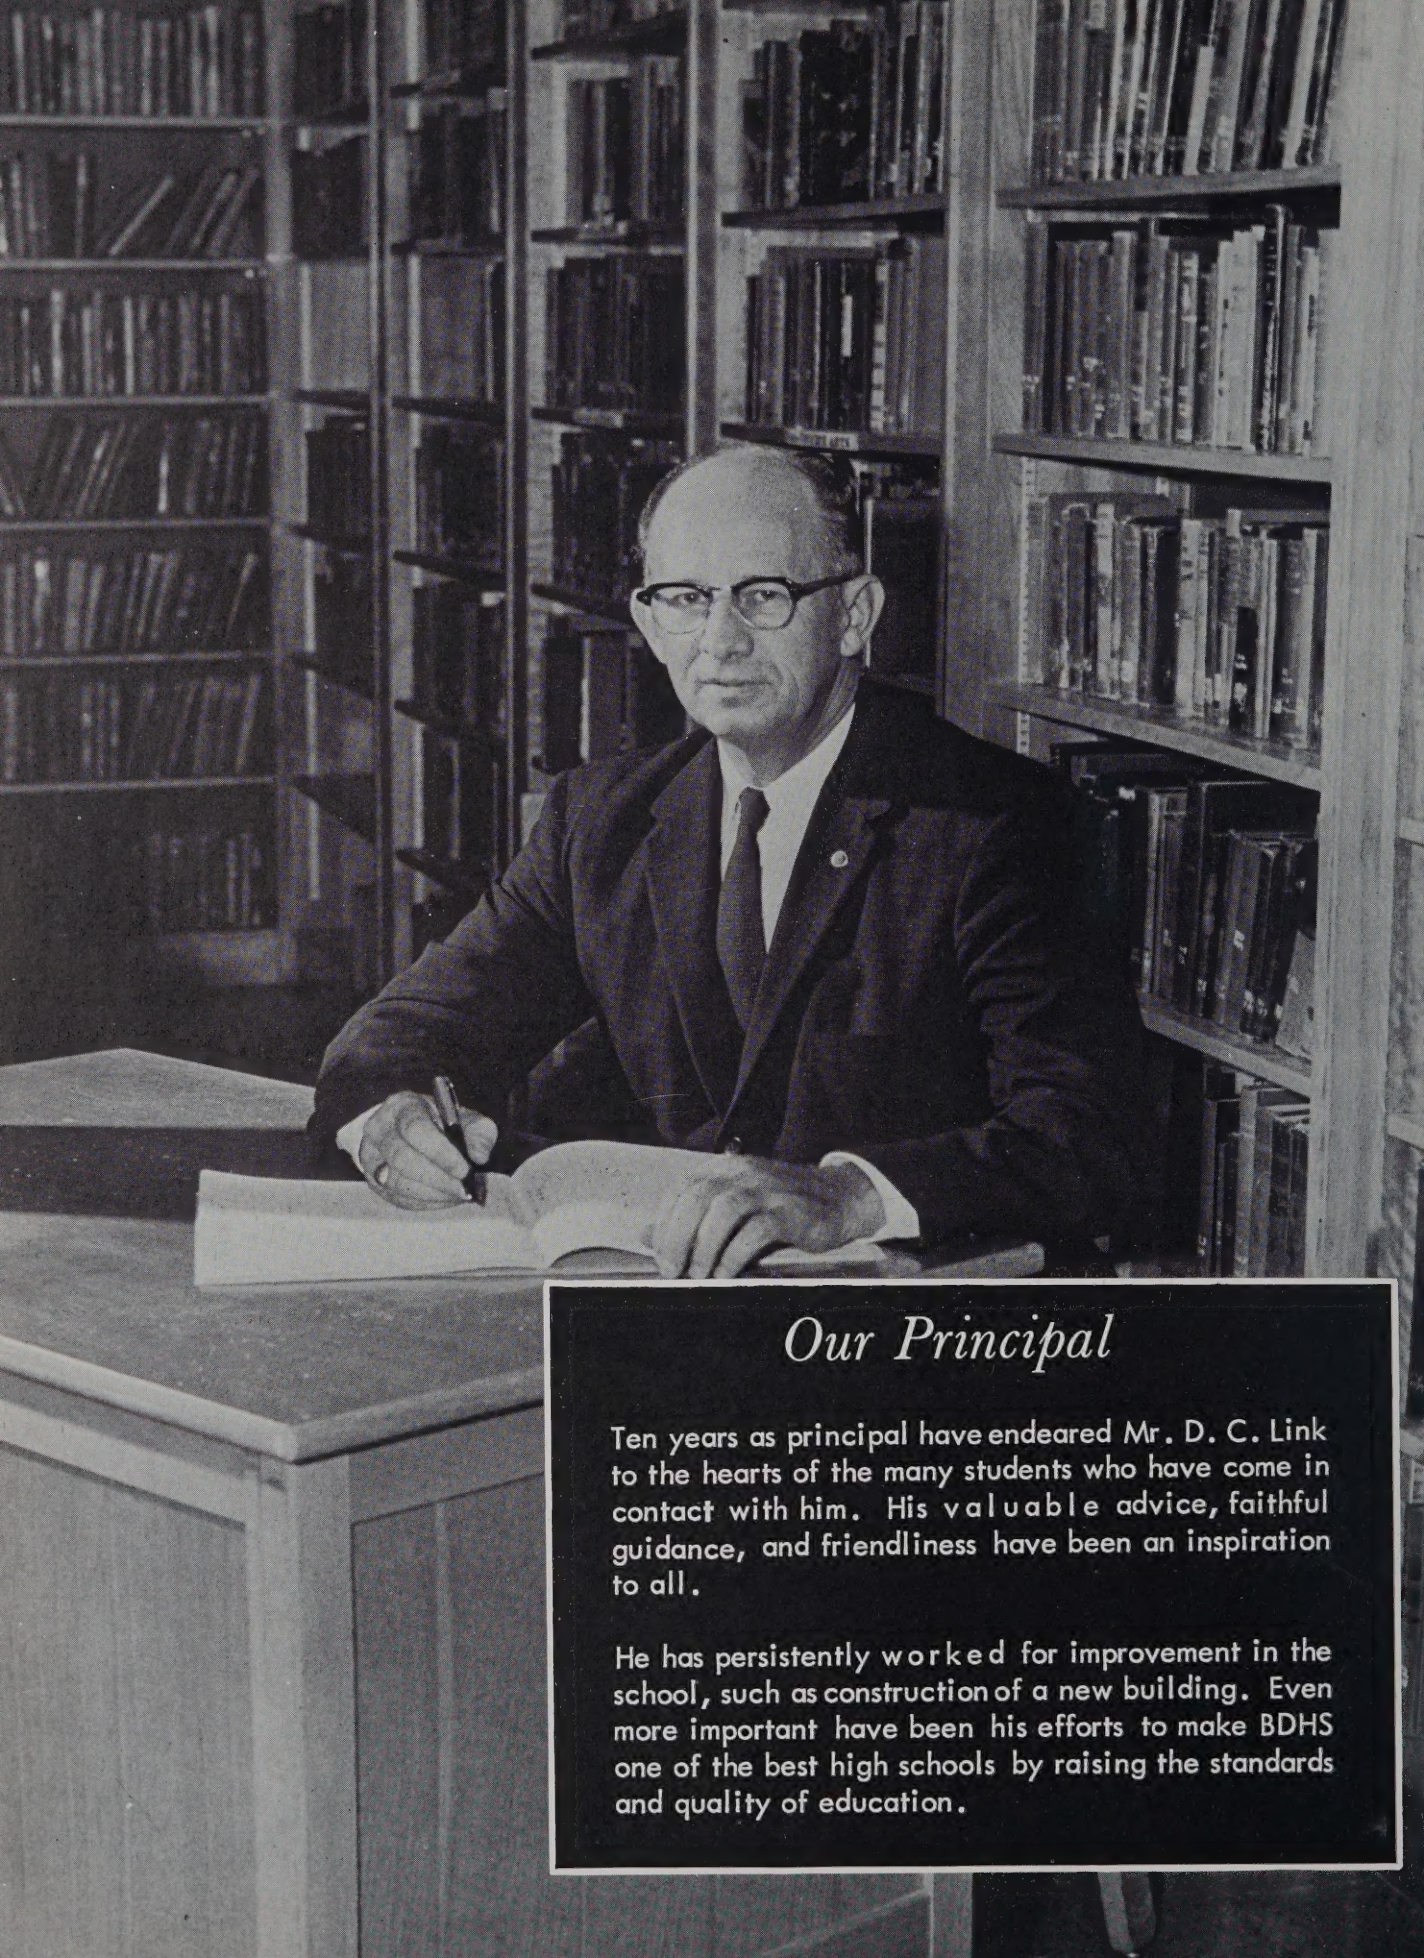

As superintendent of Prince William County Schools since September, 1954, Mr. Stuart M. Beville has improved the school system by a careful evaluation of the curriculum, and an extensive building program. In the face of big educational issues, he has remained level-headed and clear-sighted. He is quite well aware of today's problems, created by rapid expansion in the county. Having served as a teacher, Mr. Beville is deeply interested in improving teaching techniques in all fields.

SCHOOL BOARD MEMBERS: Stuart Beville, Superintendent; John M. Oleyar, Coles; F.M. Lynn, Occoquan; Clay Wood, Brentsville; Dr. E.H. Marsteller, Manassas; John F. Pattie, Chairman, Dumfries; Edith Latham, Gainesville. STANDING: Mrs. Marion W. Dickens, Clerk.

Mr. T. Clay Wood, as Brentsville District's representative on the County School Board, has served unselfishly and capably for seven years. A lifelong resident of this county, he has first-hand knowledge of the educational problems and ideals of Prince William. A farmer himself, and a member of the Ruritan, he quickly senses any needed changes; he is one of the first to encourage business and educational progress.

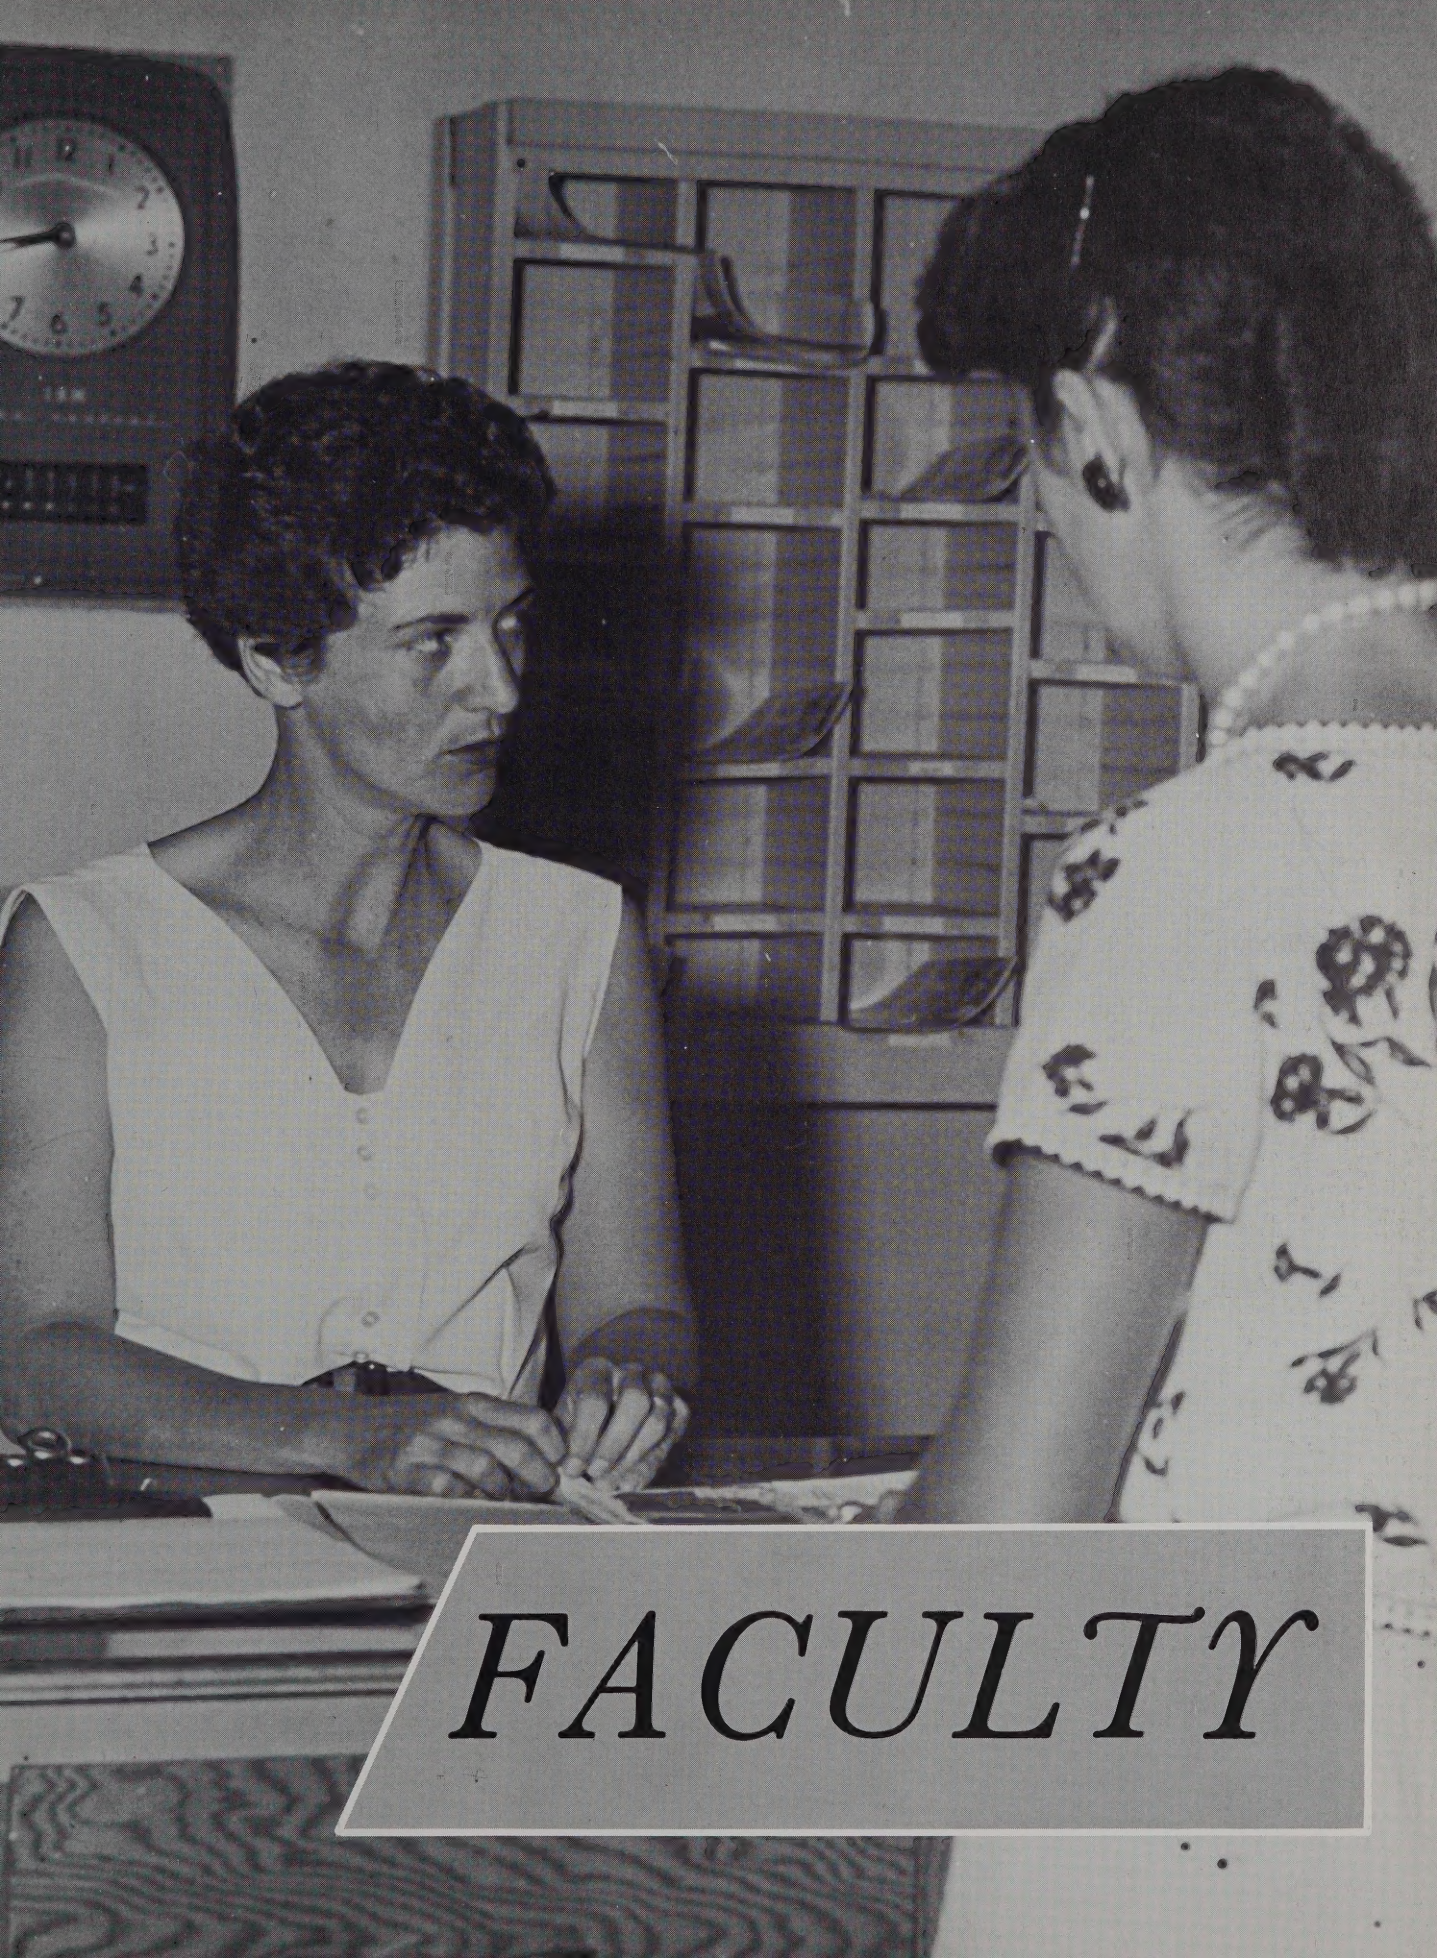

Our Principal

Ten years as principal have endeared Mr. D. C. Link to the hearts of the many students who have come in contact with him. His valuable advice, faithful guidance, and friendliness have been an inspiration to all.

He has persistently worked for improvement in the school, such as construction of a new building. Even more important have been his efforts to make BDHS one of the best high schools by raising the standards and quality of education.

The Maintenance Staff Supplies Our Needs

CAFETERIA STAFF

A remarkable quality of meals at an unbelievably low price is served to 350 students at BDHS each day. In planning and preparing the food, these ladies - Mrs. Irvin, Mrs. Kearnes, Mrs. Blankenship, and Mrs. Herring - are often on duty from "dawn to dusk"

CUSTODIANS

We at BDHS are grateful to Robb Mayhugh and Casper Whetzel, who are always willing to help when needed. Not only do they maintain neat and orderly school rooms, but they also influence the children to keep them that way.

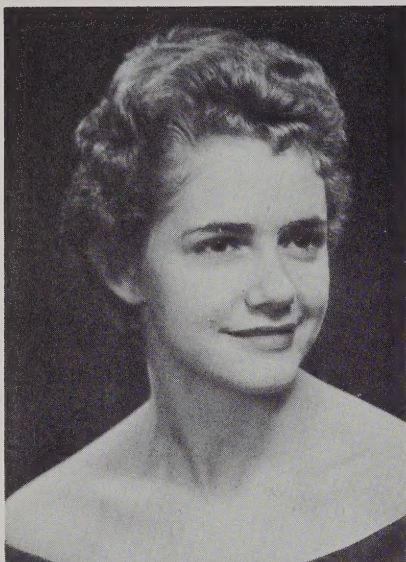

BUS DRIVERS

The community appreciates our tireless and competent drivers - Stewart Utterback, Mr. Marshall, Mr. Bowman, Mr. Hawkins, and Billy Mayhugh. These men transport approximately 575 students to and from school each day.

Our hard-fighting Tigers

Coach Calhoun is drawing a newsure-fire defense for the next game.

Under the very capable coaching of Mr. Calhoun, the Tigers compiled a very respectable record this year.

Because of the good shooting, magnificent defensive playing and team work of Seniors: George Wright, Terry King, Gordon Mayhugh, Kenny Shepherd, and Sophomore Larry Mayhugh, the team was known as one of the finest in the league.

Combining a fine spirit of sportsmanship and unusual capability as a team, these boys proved themselves worthy of the title "Fighting Tigers".

Tomorrow's Cows Today

Our farm has been the home of Shadybrook Registered Holstein-Friesian Dairy Cattle for thirty years. The herd has been improved by the most popular blood lines.

I would like to take this opportunity to recognize and thank those people who have made this annual possible. First, I would like to thank the administration, faculty, and students for their patience and cooperation. Special recognition should go to Howard E. Churchill who has provided the annual with most of its pictures. Mr. Neill Watson deserves credit for taking time and patience in explaining the various types of annuals to the staff and advising us in our times of need. The FLASH is greatly indebted to its advertisers and the parents who have supported it so whole-heartedly. I feel that the greatest vote of appreciation ought to go to our sponsor, Miss Hattie Mae Partlow, and all of the members of the staff, for they have spent many long hours planning and doing the actual work of producing this FLASH.

Thank you,

Gerald Hopkins
